

Privacy Policy **venusfactor.com**

Venusfactor.com is committed to protecting the privacy of our members.

Information venusfactor.com collects:

Membership registration information is stored and accessed in a secure environment. The venusfactor.com administrator is the only person who has access to this information.

All payment and financial information provided for payment through Pay Pal is secured through their site and security procedures. Venusfactor.com has no access to any of this information at any time. Payment through Pay Pal occurs off the venusfactor.com site.

All payment that is sent by mail or fax will be accessed by the administrator of venusfactor.com and will be monitored in a secure site.

Venusfactor.com does collect traffic data that is not identifiable per user, but anonymously collected for routing data to this site.

Venusfactor.com has no collection of information for use by advertisers or sponsors.

Any information provided to venusfactor.com by a user or member is confidential unless written consent is provided by the member or user.

Emails:

All email correspondence is confidential with the administrator, member, and employee/staff/editor/executive staff. Email content may only be duplicated or released with written consent from its source.

Newsletter and Event Alerts:

Members will be given the choice to sign up for Newsletters and/or Event alerts transmitted electronically through email. You may unsubscribe at any time through your user profile for this site.

Member Feedback or Testimonials:

Any publicly posted comments or content by a member on this site will only be done with their written permission and removed at any time due to their request or the request of venusfactor.com

Exceptions to this Privacy Policy

Venusfactor.com reserves the right to access and utilize your personal information for the following reasons:

- Court ordered requests
- Imminent danger for the individual or a clearly identified target or person
- Protection for any threats or danger for the staff or associated entities with venusfactor.com
